Dear Ms. Hesse,

It is my opinion that the terms of the Microsoft settlement are fair and just. I very much want to see our Justice System settle this case and let our economy get moving again. I am a simple American with no political agenda, and I am upset that many special interest groups have managed to keep a settlement from happening. Let's get our Country back on track and help President Bush with this as part of his stimulus package.

Sincerely,

James C. Kline
